To: Jon, Steve & Chris

DKM Custom Homes, LLC has built not one but two homes for our family in Destin, Florida. Steve, Jon and Chris are a great team – and bring to the table a wealth of knowledge and experience. We were always aware as to where we stood financially and the timeline concerning the building process. There were no surprises at the end.

We appreciated all the input of ideas they gave to us and they always made improvements as to what we were trying to accomplish with our vision.

We highly recommend DKM Custom Homes Builders if you are looking for a builder in the Destin area. If we were to build our third home we would again use Steve, Jon and Chris.
