

TOP 10 THINGS WE LOVE ABOUT DKM CUSTOM HOMES

1. Their quick response to any issues.
2. They are the ultimate professionals at all times.
3. Their problem solving skills.
4. Their attention to details.
5. Their excellent sub contractors.
6. They kept the job site clean enough to host a dinner party.
7. Their excellent communication skills.
8. Their quality craftsmanship.
9. They maintained the budget.
10. **They are still 100% service oriented after eight years.**

We built our home eight years ago in Watersound, Fl. We did everything long distance with only minimum visits. Nothing was ever a problem that we could not all solve! We love our home and the most amazing thing is that DKM is still helping us solve our problems after eight years and with always a big smile on their faces. Now, let me say these are just ordinary house issues at this point not construction issues! Ron and I think they are the BEST!
